

Amendments to the Drawings:

The attached replacement drawing sheet makes changes to Figs. 1-11 and replaces the original sheets with Figs. 1-11.

Attachment: Replacement Sheets

REMARKS

Claims 1-8 are pending in this application. By this Amendment, claims 1-4, 6-8, specification and Figs. 1-11 are amended. Figs. 1-10 were amended to contain proper figures labels. No new matter is added.

Applicants would like to thank the Examiner for indicating that claims 1-8 contain allowable subject matter.

Fig. 11 was objected to. By this Amendment, Fig. 11 has been labeled "conventional art" consistent with the specification. It is respectfully requested that the objection be withdrawn.

The disclosure is objected to for reference to specific claims by number. By this Amendment, the specification has been amended responsive to the objection. It is respectfully requested that the objection be withdrawn.

Claims 1-8 are rejected under 35 U.S.C. §112, second paragraph, for allegedly being indefinite. The Office Action notes numerous features that lack antecedent basis and/or have double inclusions. Claims 1-4 and 6-8 have been amended responsive to the rejection.

It is respectfully requested that the rejection be withdrawn.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of the claims are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
